

ActivationFunc

```
graph BT; ReLU --> ActivationFunc
```

The diagram consists of two rectangular boxes. The top box is white with a thick black border and contains the text "ActivationFunc" in a large, black, serif font. The bottom box is also white with a thick black border and contains the text "ReLU" in the same font. A black arrow points vertically from the top edge of the bottom box to the bottom edge of the top box, indicating that ReLU is a specific type of activation function.

ReLU
