

IOptimiser

```
graph BT; RMSProp[RMSProp] --> IOptimiser[IOptimiser]
```

A diagram consisting of two rectangular boxes, one above the other. The top box contains the text 'IOptimiser' and the bottom box contains the text 'RMSProp'. A vertical arrow points from the top edge of the bottom box to the bottom edge of the top box, indicating a relationship or flow from RMSProp to IOptimiser.
