

ActivationFunc

```
graph BT; LeakyReLU --> ActivationFunc
```

A diagram illustrating the relationship between two activation functions. At the top, a rectangular box contains the text "ActivationFunc". Below it, another rectangular box contains the text "LeakyReLU". A vertical arrow points from the top of the "LeakyReLU" box to the bottom of the "ActivationFunc" box, indicating that LeakyReLU is a specific instance or specialization of the more general ActivationFunc.

LeakyReLU
